SL Series

Cap Style Hard Hats

- Low profile design.
- Tested and marked for reverse orientation.
- Shell constructed from High Density Polyethylene materials.
- Rain trough on sides and back of helmet channel moisture away.
- Soft brow pad is replaceable. Replaceable suspensions and headbands also available.
- Snap Lock suspension features "tuck away" adjustments for all day, hassle free wear.
- Ratchet suspension is easy to adjust and allows the wearer to modify the fit while wearing hard hat.
- Universal accessory slots fit cap mounted ear muffs and accessories. Hats also accommodate chin straps.
- Testing: Impact, Penetration, Flammability, Electrical Insulation, Marking & Humidity.

CLEANING INSTRUCTIONS:

Wipe the shell clean with mild soap and water.

Do not clean the suspension, replace when worn or dirty.

Do not use paint, chemicals or solvents as they could reduce the impact and electrical properties.

Product Guidelines

Maximum service life of 5 years (shell) & 1 year (suspension) from the time of first use

Never alter or modify the shell or suspension system

Inspect the hard hat each time before use and replace if there is ANY sign of damage

Replace hard hat after it receives a considerable impact

Accessories such as liners have not been tested to the requirement of this standard

Clean only with mild soap and lukewarm water

Store hard hat in a clean, dry place that is out of direct sunlight

Do not use paints, chemicals, adhesives, gasoline or similar substances on the hard hat

Labels are acceptable if they do not affect a hard hat's protective rating or make it difficult to find damage
