## FEATURES

**Premium Protection:** 15G HPPE liner defends against punctures, cuts and abrasions, while maintaining superior comfort for extended wear

**Skin Safe:** Fiberglass and steel-free liner is ideal for workers with sensitive skin

**Smooth Barrier:** PMXTECK creates an exterior built for durability and a soft interior ensuring precise performance with soothing, breathable comfort

**Sure Seal:** Knit cuff ensures added security, comfort and functionality

**Tailored Fit (select styles):** Hook and loop arm cuff provides a customizable fit, enhancing comfort and performance in any work environment

**Thumb Lock (select styles):** Thumbhole design keeps sleeve in place, preventing ride-up for continuous wrist and forearm protection in hazardous environments

**Tried and Tested:** Meets ANSI/ISEA 105 – CUT A5 | ABRASION 6 | PUNCTURE 4 and EN 388–3X42F, ensuring quality and safety

The GCS52 Series is an ambidextrous, one-size-fits-most cut sleeve.
