

ANTI-FOG SPRAY KIT

LCKITAF

Long-lasting anti-fog, anti-static formula //
Effective on plastic, glass and polycarbonate
lenses // Safe for all lens coatings // Ideal for
glasses, goggles, and face shields

Instructions

Clean lenses with microfiber towel ensuring lenses are free from dirt and debris.
Spray both front and back of lenses with anti-fog spray.
Wipe lenses front and back with microfiber towel in a circular motion applying adequate treatment.
Repeat daily for continued fog protection.

⚠ Warning

Contains Isopropyl Alcohol. Causes serious eye irritation. Use only as directed. Keep away from children. Not for use on contact lenses. Avoid skin contact – if skin contact occurs rinse with soap and water. Do not ingest. Avoid contact with eyes – if eye contact occurs flush with water and seek immediate medical attention.
